Farm Tours and Fine Dining

An authentic Australian experience featuring incredible scenery and world-class food.

Guests will be immersed in the beautiful Riverina District of New South Wales and experience first-hand the success of the holistic management practices that have allowed us to regenerate Mulgoa Pastoral, the land on which we live and work.

With a commitment to the highest animal welfare standards, our animals have been fed nothing but the grass that's in front of them, nor have they ever been confined to a small area for feeding purposes. The beef and lamb we produce are completely free of hormones and herd antibiotics. Raised in open pasture, our animals are allowed to freely express their natural character within the herd environment.

Our incredible chefs provide guests with the opportunity to taste the difference. Dining in style at the Holbrook and Woomargama Hotels, guests can meet the locals and immerse themselves in Australian country life. During select periods, the Paddock to Plate and Outback Stockman packages may be combined to give guests a truly memorable experience.
